## COVID-19 INFORMATION

Exhibitors, judges, and volunteers will be required to comply with all State and local mandates in place at the time of the event. The required physical distance for non-family members will be maintained. To prevent parking lot crowding on Saturday and Sunday, Novice and Advanced classes will be held in the morning, with Excellent and Master classes being held in the afternoon. Once Novice and Advanced competitors have picked up their ribbons, they are asked to vacate the parking lot, unless they are a dedicated volunteer for the afternoon classes. Excellent and Master competitors should not arrive until the time indicated in the judging program, unless they are a dedicated volunteer for the morning classes. (It is understood that some competitors may have dogs in multiple levels and will need to be present in the morning and the afternoon.) A group potluck will not be held and there will be no group ribbon ceremony.

Some or all levels of the Interior element may have to be eliminated if safe physical distances cannot be maintained. In the event of element cancellation, a full refund for that element will be issued. If the 14-day quarantine for interstate travel still applies and Ms. Ratoza cannot fly to Alaska, another judge will be hired or her judging assignments will be reassigned to the other judges. Refunds may be issued per AKC regulations. If the entire event must be cancelled because of COVID-19 all entry fees will be refunded.

## STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

**Staging Area** will be out of view of search area(s). Staging area will include crating, warm-up and waiting area, as well as the secretary's table for check-ins and posting of running order and results.

The **Handler's Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Handler's Briefing.

A **warm-up area** will be available consisting of ONE marked container of each odor being tested at the trial and may also consist of blanks containers. Exhibitors should limit their warm-up to (2) two minutes or less. The warm-up area is to be used exclusively for warming up the handler-dog team prior to their run, or for recovery after the run. The warm-up area is not for training or relieving of the dog.

#### ADDITIONAL SITE INFORMATION

**Trial Site.** It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.

**Possession of Odors and Training.** Chapter 5. Section 26 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

**Spectator Area.** Spectators are encouraged (if COVID-19 provisions can be maintained). Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their own run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be asked to leave the area by the judge. Spectators are forbidden to discuss details of the search until the completion of the class.

**Inside Crating space** will not be available.

**Exhibitors are responsible** for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

#### RIBBONS, AWARDS, AND PRIZES

Placement ribbons will be awarded in each class as follows:

*First Place*.....*Blue*  
*Second Place*.....*Red*  
*Third Place*.....*Yellow*  
*Fourth Place*.....*White*  
*Qualifying Score*.....*Dark Green*

All teams participating in all Excellent elements offered will be up for High in Trial in the Excellent level. All teams participating in all Master elements offered will be up for High In Trial at the Master level.

Teams winning High In Trial will earn a rosette.

**Special Award: The Capt'n Accuracy Award** – One free element entry in the next Cook Inlet Kennel Club scent work trial, donated by The Retirees in honor of Capt'n Jack. #### NOTICE TO EXHIBITORS

##### SAFETY, BEHAVIOR and LIABILITY

**The safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Cook Inlet Kennel Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Cook Inlet Kennel Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Cook Inlet Kennel Club or any official thereof.

**Collars, Leashes and Harnesses.** During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

**All dogs must be on leash** at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

##### REFUNDS

**No entry fee** will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee, with the exception of cancellation due to COVID-19. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition are not eligible for a refund.

**Bitches in season** will be refunded the full entry fee. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

##### RINGSIDE

**Judges are not required** to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

**EXHIBITOR CHECK-IN:** At check-in you will receive your armband number. Once the time and location for check-in is determined all exhibitors will be notified by email.

**Exhibitors MUST check-in EACH day they are entered.**

**Claims will be arbitrated as set forth on the Official AKC Entry Form for this event.**

"Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations." Additionally, clubs should include any specific local or state health requirements; for example, proof of rabies vaccination.
